

# Becoming an Ambassador Will Change Your Life Forever!

Reaching the Ambassador level should be your single purpose and vision. Find a coach/mentor, (may not be the person that enrolled you) to help you reach your goals.

Listen to the Pique, Pass and Plug audio on the [www.SuccessTeamSite.com](http://www.SuccessTeamSite.com) website. Click on the training button to access the Pique, Pass, and Plug audio. The audio will help you enroll 4 and many others. Remember get 4 and pay no more. (Titanium's and Platinum's only need 3 to pay no more, Basic's need 4.)

Get the book Think and Grow Rich by Napoleon Hill and read the first 4 chapters. The secret to becoming Ambassador are in the first 4 chapters of Think and Grow Rich! Read these chapters repeatedly. Use a yellow highlighter and highlight the secrets when they are revealed. The secrets will jump out at you when you read the chapters a few times.

Make sure everyone that you enroll follows this simple plan. Ask for help every step of the way. There will be other training's on the team training site [www.SuccessTeamSite.com](http://www.SuccessTeamSite.com) that will help you succeed. Come back often to review the information and see what is new. It is important to communicate with a successful team leader consistently; this will be paramount to your success and development.

**Review the 6 Steps below, they will keep you moving in the right direction and help you stay focused:**

**Step 1:** Find 4 partners. When you get 4 you are now earning more than you are spending. Get 4 and pay no more! (Titanium's and Platinum's only need 3 to pay no more, Basic's need 4.)

**Step 2:** Work with 4 partners and help them get their 4! You are now a 1 Star Director earning \$400 to \$700 a month.

**Step 3:** Help their 4 get 4. You are a 2 Star Director earning \$1,500 to \$2,500 a month. This will change the trajectory of your life. You are in the comma club; you have a check with a comma in it. You are earning \$18,000

to \$30,000 a year. Take a minute and write out what the \$18K to \$30K will do for you and your family. This is only the beginning!

Listen to the Steve Harvey video on the team site. His information is priceless.

You are on the right track moving in the right direction. I learned long ago, if you can do something, you can teach it! In other words, if you become a 2 star you can teach others to become a 2 star.

**Step 4:** Help 1 to 2 on your right leg and 1 to 2 on your left leg do what you just did, you are now a 3 Star Director earning \$30K to 38K per year, and P2S will pay for your new Mercedes or Cadillac. \$600 a month, \$7,200 a year!

**Step 5:** Help 2 to 3 partners on your left leg and 2 to 3 on your right leg become 2 Star Director, you are now a 4 Star director earning over \$50K a year. Some 4 Stars are earning over \$63K a year. You are now earning more than the average American worker, and what are you doing? You are going on vacation. WeTrips, ITrips, having fun living the life. You're making more than people going to work every day, grinding it out, dealing with crazy bosses and co-workers.

**Step 6:** Help 4 to 5 partners on your left and 4 to 5 partners on your right become a 2 Star. Congratulations you are an Ambassador and earning over \$100k per year, some Ambassadors are earning \$118K a year. You are now in the top 5% of earners in the US.

### **WHAT DID YOU DO?**

You simply enrolled 4 partners that enrolled 4 partners that enrolled 4 partners and you became a 2 Star Director earning \$1,500 to \$2,500 a month (\$18k to \$30K a year) and helped 4 to 5 partners on the left and 4 to 5 partners on the right do the same, become 2 Stars!

**Congratulations you are an Ambassador earning over \$100K per year!**

You are living life differently! Doing what you want, when you want, with whom you want. Money Freedom and Time Freedom! Most people either have Time Freedom, or Money Freedom, becoming an Ambassador with P2S Travel allows you to have both.

P2S Travel will continue to make more history in 2020 and beyond. The 2 Star Director and Ambassador positions will help more people realize the dream of networking which is the ability to have Time and Money Freedom. The ability to live life on your terms. Imagine taking your son's Senior Year in High School completely off so you can make every game including traveling all over the Country to watch him play and your Income grows....And, what if he becomes the Gatorade Player of Nevada, Rawlings All-American, Max Preps All-American, Athlete of the year in Las Vegas, Perfect Game All-American and much more. That is what happened, and we were there to experience it all.

The P2S 1 Star Ambassador position allowed us to enjoy every minute of Aaron's historic High School Senior baseball season. That is what's possible with P2S Travel. Earn more with a much smaller team and Travel More for Less. We want to help you do the same. It doesn't have to be baseball or have anything to do with kids, you will have the freedom to do anything, with whomever, anytime you like. No company in the history of the networking industry has done what P2S travel is doing now. You are in a room that no one has been in before. From a product perspective what we are doing has not been done, and from an income perspective, this has never been done. We are making dreams possible again! You no longer must go out and build these massive teams that no one can build. We have made it realistic for the average person to win! And it gets better, as you progress through the plan following the same process you can earn up to \$3,200 in daily pay which is \$96,000 a month and that does not include the other bonuses.

When reps in other networking companies figure out that we have changed the game forever, they won't walk, but run to enroll with a current P2S Travel partner. Make sure you are visible in the marketplace so you can get your fair share. This will happen because we pay out more money with a much smaller team. It's going to be very hard for other companies to explain why they are only paying their reps \$18,000 a year and P2S is paying \$100,000 plus on the same volume.

Check out the numbers. To become an Ambassador with P2S Travel, you are earning over \$100K plus a year with 15,000 in team volume in the lessor leg. 99% of all the binary compensation plans only pay out 10% on the lessor leg which mean they pay their reps \$1,500 a month or \$18,000 a year with the same 15,000 team volume. With P2S, you are earning a 6-figure income.

This is history in the making for P2S travel and why you want to take advantage of your timing. My recommendation is for you to drop everything that is not moving you towards Ambassador right now. You are finally in the right place at the right time, all you must do is take action! Get Excited, Plug In, and Never Quit.

Note to Self: Retirement age is 67 and life expectancy is 70-80 years. You work for 50 years to maybe enjoy 11? Start enjoying life now. No one is guaranteed tomorrow. Take massive action today! Remember you are never too old to set another goal or to dream a new dream.

Tyler Perry attended an event that Oprah hosted at her home over 10 years ago with several others. He was inspired after the three-day event. He was interviewed on the 3rd day and said because of this event I will leave here today and Dream Bigger and Dream More! Mr. Perry recently opened his 300-acre studio compound in Atlanta. It is the largest studio in the US. Anything is possible when you Dream Bigger and Dream More and have a single-minded purpose!

If you don't have big dreams and goals, you will end up working hard for someone who does, so wake up with determination, go to bed with satisfaction. Success is yours, reach out and grab it with both hands!

Contact us now and let us know you are Dreaming Bigger and Dreaming More and you are ready to act now!

Dream Bigger & Dream More,
