

Hello NAME,

DID YOU KNOW? Expedia and Priceline are two of the biggest internet travel companies in the world generating BILLIONS & BILLIONS of dollars in sales every single year? And they don't own anything travel related...no Cruise Lines, no Hotels, no Airlines...nothing!

And according to NBC LA Investigative Reports, there is NO COMPETITION because Priceline & Expedia own all the other sites allowing them to set the price for consumers.

We decided to create a 3rd option...it's called:
INCENTIVIZED SHARING.

Our site SAVES consumers money when they book a hotel room and allows them to earn FREE TRAVEL. Our prices are lower than Expedia, Booking.com and all the other booking sites.

Rather than waste money on Hollywood actors and Multi-Million Dollar television campaigns, we decided to reward YOU!

Here's how it works: Once you become a Platinum Partner, your referrals will go to your site and create a free account in seconds. Whenever they are ready to book a hotel stay, they save money. Another reason they will go

to the site is they can refer others (for free) and every time they refer someone, they earn money towards future hotel stays. You will earn 25% commission on every hotel booking. Yes, even on the free referrals of your customers customers (infinitely)! The more customers they refer, the more money they'll save on their future stays and you earn more commissions! This is truly WIN~WIN!

So how much money & free travel can you earn???

We give you 25% of the commission earned on each of your customer's hotel bookings (on every booking) and reward you with 20% in points (from your personal referrals) that can be used toward your next trip (free travel)! There is no limit to the amount of referrals that anyone can refer. Every single booking is tracked back to you.

We call this revolutionary approach... INCENTIVIZED SHARING and it is spreading VIRALLY!

Allow **us** to Demonstrate... Let's assume you share your site with just 20 people and your 20 people share the site with just 5 people each. That gives you 100 new customers.

If those 100 customers share the free site with 5 friends, you now have 500 new customers.

Continue this process 2 more times and you have over 12,500 customers. You earn 25% of commissions received from any hotel bookings no matter how big your customer base gets!

This is your chance to be in at the beginning of a revolutionary concept in the single largest industry in the world - TRAVEL!

In addition, Platinum Members will also be given 2 vacations per year... a total of 14 nights / 16 days for as little as \$100 per stay... there's 100's of Resorts to choose from, all around the world.

If you like the idea of helping people save money & earn free travel and if you like the idea of making money even while you sleep...

Get back with the person who shared this information with you and find out how you can start creating an additional profit center TODAY!
