1. If I found a way to make a fortune on the internet, would you want to know about it?
2. If I found a way we can make a fortune, giving away a free travel membership that saves everyone money, guaranteed, would you want to know about it?
3. If I found a way that we can make a bunch of money showing people how to travel for pennies on the dollar, would you want to know about it?
4. Do you keep your options open when it comes to earning extra income?

5. I don't know if it's a fit for you or not, but would you be open to something outside of what you're doing for income?
6. Do you keep your business options open to making money outside of what you currently do?
7. If the money was right & we can fit it in your schedule, would you be open to taking a serious look at something?
8. Would you be open to take a serious look at an opportunity where you can get paid to share a free travel membership?

## **YES RESPONSE:**

*How fast can you get in front of your computer to watch a 5 minute video?*

*Tell me a little more.....*

*I found a travel company that doesn't markup travel, they only sell net-net travel. The deals are better than Expedia, Priceline, Trivago, Booking.com & all the rest. No one knows about the company and I'm about to explode this all over the world.*

**(Repeat YES Response above).....**
