What Do We DO:

To earn money with P2S Travel we do **TWO things**. When you apply yourself, you can become very good at these 2 tasks and create a brighter future for you and your family. Give yourself time to learn these tasks. Don't let your first 3 to 10 exposures cost you your long-term blessing, we promise you will get better with spaced repetition, plugging in, learning consistently, and a commitment to your dreams and goals. Here are the two things we do to earn money with P2S Travel:

1. **SHARE OUR SERVICE:** Our service helps people do the fun things in life and for less! It really is that simple! Dreamcations (I-Trips & WeTrips), discounts on hotels, car rentals, movie tickets, eating out, shopping, concerts, sporting events, and much more!
2. **SHARE OUR OPPORTUNITY:** With P2S Travel, you can become a Travel Agent and book travel & take advantage of the travel agent perks (fam trips, wholesale travel without selling or recruiting!) You can become a Partner and share our P2S Travel Opportunity with others to earn extra money. Whatever amount you want to earn; you can earn it with P2S Travel by plugging in and following the system. Earn \$2.10 to \$3,200 a day! Pick your road and let's get started!

With the new tax law changes, everyone needs a legal way to make up for the things you can no longer write off! P2S Travel qualifies for all the tax benefits. Save thousands of dollars a year by being a legitimate business owner! Always check with your tax professional (that specializes in home-based businesses) for all the details.

JOB

Your job is simple. Find **customers** that want to Travel More for Less! Your second job is also very simple, find **4 serious Partners** that want to earn extra money! These jobs are simple if you plug into the system, if you are committed to achieving more in life than you currently have now, and you want to help others along the way!

How do you accomplish these tasks?

Travel Agent question examples: (There are many questions you can ask.)

ask

- Hey, we just rolled out a program that can help anyone make money in Travel without having to sell or recruit. Plus, you get Travel Agent credentials allowing you to travel for pennies on the dollar. Response has been HUGE!! Let me know if you'd like to see the video. If they say yes, send them to www.BestHotelBestRate.com

ask

- Hey, we just rolled out our Travel Agent Program where you can make money without selling or recruiting. Didn't know if you'd want to look at it. Either way, give me the scoop & updates on you?? If they say yes, send them to www.BestHotelBestRate.com

Partner question examples: (There are many questions you can ask.)

ask

- Name, do you want to earn some extra money this year? (this month) (this week) Pick only one, year, month, or week.
- Name, do you keep your options open to making extra money outside of what you do?
- Name, I just came across a way to make some serious part-time money working a few extra hours a week, I know it's not for you, but who do you know that wants to earn extra money?

- Name, with the new tax laws that were just passed, it's essential that I get a home-based part-time business that will save me thousands on taxes every year. Are you open to making extra income with a simple part-time home-based business, and saving on your taxes?

- Name, I have been thinking of my goals and dreams lately and I conclude that I will never achieve them doing what I am doing. Do you have any goals and dreams that you really want to achieve before it's too late? Name, the reason I asked is, I found a way how to reach my goals and dreams sooner than later. Are you open to finding out how you can do the same?

If the answer is, "YES", to one of the questions above (90% will say yes), ask them, *"When do you have some time when you can be in front of your computer?"*

Send them to www.netnetrates.com OR your website. There may be other newer presentations that you may find out about and plug them into that as well. Stay connected and you will have access to the latest and greatest!

YES!

If your prospect starts asking you lots of questions before they review the video say, *"I know enough to be excited but don't know enough to explain it. I want you to see the short video and see if you feel the same way that I did."* If they continue to ask questions before they review the short video, Repeat up to 2 more times as needed. If they still won't budge after the 3rd time of asking you questions say, *"Name, I have a call coming in, and I have to take it, this is probably **not** for you. I will see you at Church on Sunday or at work tomorrow, or wherever you know them from."* Get off the call now, this will cause them to start chasing you because you did not spill the beans and now they are curious! Do NOT EVER GIVE INTO answering questions before they review the video or information!

After they watch the video, get them on the phone with one of us or Todd instantly! Darryl's number is (702) 250-2438. Do NOT do this on your own. This STEP is very important! Remember, put your potential partner on the phone with us once they review the video. Your only job is to ask the question, your job is NOT to do the telling and selling, that is our job and we are very good at it. You can check out the Pique, Pass, and Plug audio on the TRAINING page of the team site to get clarity on this.

We look forward to working directly with you to further your success with P2S Travel! Call us anytime!

Success is Yours,
